Enables readers to understand why migration regimes are so often viewed as immutable and why transnational movements within the human rights framework are so difficult to achieve. "The book's structure is well designed and accessible, and the book's arguments are extensively supported by data and examples."--In the Age of Transnational Crime: The Role of Non-Governmental Organizations (NGOs) in Combating International Crime By Neil Boister 2014-10-10 Certain types of crime are increasingly being perpetrated across national borders and this book will be invaluable to those who wish to understand the intricacies of international crime and justice. It provides a detailed profile of the current state of transnational crime, and the role played by various actors, including governments, NGOs, and private organizations.

Handbook on Transnational Crime...
Legal Horizon Reference Book 2019 Federal Law Enforcement Training Center (U.S.) 2018-01-30 The Legal Division Reference Book is the culmination of almost forty years of dedicated efforts of many members of the Office of Chief Counsel's Legal Division at the Federal Law Enforcement Training Centers (FLETC). This reader includes materials from the United States Code, Federal Register, Federal Court Opinions, and Manuals. There is also a substantial Resources section which includes useful materials for your further reading. The Reference Book is also helpful in preparing for legal examinations. The fact that each case can make the material that makes up multiple choice test questions. This resource can make one question a test question questions. The reader can make one question as a test question. Republicans may attempt to answer the questions prior to taking the Supreme Court's answers and examine it as a means of testing knowledge gained from course work and the Handbook. Women in Developing Countries: A Reference Handbook Karen L. Kramer 2011-02-22 This book provides a much-needed survey of the discrimination and violence against women in developing countries. It presents biographies of individuals who have advanced human rights for women, and others who play key policy or political roles. It provides bibliographic-varying abstracts of selected books, handbooks, manuals, and Bulletins that provide a wide perspective on major issues, includes a primary and more subject index.

Human Trafficking Is a Public Health Issue Makini Chisolm-Straker 2018-07-20 This clear-sighted reference examines the public health dimensions of labor and sex trafficking in the United States, the scope of the crime, and possibilities for intervention. It recognises trafficking globally, illness and protective factors associated with the exploitation, and a roadmap towards prevention. It includes biographies, survivor stories, and resources from across disciplines and disciplines. This is an excellent resource for community health practitioners and public health professionals, with a robust model for collaboration. It focuses on the humanity of trafficked persons, a public health perspective on understanding the health and health care challenges of trafficking, while addressing key discerning and overseeing the health and health care needs of trafficked persons. The book is also helpful in preparing for legal examinations. This Reference Book is also helpful in preparing for legal examinations. It provides a useful addition to the handbook on women's health.
